

FRESHMAN SEMINAR · WEEK 1 QUIZ

Freshman Seminar — Week 1

Name: _____

Date: _____

How to play: Read each question twice, read every choice, cross out the wrong ones, then put an X in the box next to your answer. Get **6 of 8** right to earn the badge.

1. What is the difference between a lecture and a recitation?☐
☐
☐
☐

- A. A lecture is a written exam on the material; a recitation is the same exam given out loud.
- B. A lecture is for first-year students; a recitation is only for students in their final year.
- C. A lecture is a class you take at home; a recitation is the same class taken at the university.
- D. A lecture is where the professor teaches new material; a recitation is where you practice it.

2. What is the Freshman Seminar rule for taking notes?☐
☐
☐
☐

- A. Write down the names of the people and the dates mentioned.
- B. Write down every sentence exactly as the professor says it.
- C. Write down the three biggest ideas, in your own words.
- D. Write down only the new vocabulary words and nothing else.

3. Why do notes work better in your own words than copied word-for-word?☐
☐
☐
☐

- A. Your own words are usually shorter, so the notes fit on less paper.
- B. Professors give extra credit for notes that are not copied directly.
- C. Putting an idea into your own words forces your brain to understand it first.
- D. Copying exact words is against the rules at most universities.

4. In 1849, Elizabeth Blackwell became...☐
☐
☐
☐

- A. the first nurse to work in an American children's hospital.
- B. the first person to use an incubator for a premature baby.
- C. the first woman in the United States to earn a medical degree.
- D. the first woman to teach chemistry at an American university.

5. Which is a smart strategy on a multiple-choice quiz?

- ☐ A. Choose the first answer that sounds familiar and move on to save time.
- ☐ B. Pick the answer in the middle, because writers tend to put the right one there.
- ☐ C. Pick the longest answer, because it usually contains the most detail.
- ☐ D. Read every choice and rule out the ones you know are wrong before deciding.

6. What does “pre-med” mean?

- ☐ A. The medicines a patient is given before an operation.
- ☐ B. The university courses that prepare a student for medical school.
- ☐ C. A training program for nurses who want to become doctors.
- ☐ D. The first year of medical school, before students meet patients.

7. On the NICUniversity timetable, when do you do the homework for Monday's Chemistry class?

- ☐ A. During the Chemistry lecture itself, on Monday.
- ☐ B. At the Chemistry recitation on Tuesday morning.
- ☐ C. Whenever you like – homework has no set place on the schedule.
- ☐ D. At Friday's study hall, right before the final exam.

8. What is a transcript?

- ☐ A. The record of the courses you took and how you did in each one.
- ☐ B. The written text of everything a professor said in a lecture.
- ☐ C. The schedule showing which class meets at which time.
- ☐ D. A certificate you receive when you finish one week of classes.

Score: _____ / 8
